EXPERIENCES

Real Estate Private Equity Intern | GALIUM CAPITAL | Miami, FL

June-July 2026

- Underwrote 20+ multifamily acquisitions - including mixed-use properties with retail and hospitality components - across 6 markets in the U.S., building full Excel financial models to evaluate rent growth, vacancy, expenses, and value-add potential.
- Conducted independent market and operational studies across 100+ properties using CoStar and HelloData - including expense benchmarking, cap rate stabilization, real estate tax normalization, and renovation rent comps - each addressing a distinct acquisition or asset management question.
- Supported due diligence on two acquired properties, including a unit-by-unit physical assessment of 156 units to classify conditions and build a CapEx renovation budget.
- Built three investor presentations supporting two active equity raises and an asset recapitalization.

M&A and Restructuring Intern | SYNERGY GROUP | Brazil & Colombia

May-June 2025

- Supported the evaluation of a distressed cargo airline acquisition by analyzing business plans, assessing operational and financial risks, and contributing to investment materials evaluating turnaround potential and return drivers.
- Supported the restructuring of a distressed shipbuilding company by evaluating operational inefficiencies, liability-related risks, and turnaround options for better financial performance.
- Conducted hotel market research across the U.S., Colombia, Brazil, Mexico, and Madrid, analyzing daily rates, RevPAR, occupancy, sale comps, tourism demand, and competitive dynamics across multiple concepts, including a boutique acquisition strategy and a kitesurfing resort concept.

Search Fund Intern | CAPRAE CAPITAL PARTNERS | Remote

Feb-May 2025

- Sourced and evaluated 235+ acquisition targets with a focus on consumer and healthcare sectors, prioritizing opportunities based on business quality and growth potential.

Private Equity Intern | INTERVEST CAPITAL PARTNERS | New York, NY

June-July 2024

- Supported due diligence on a \$500M entertainment acquisition by building comparable company and precedent transaction analyses, researching competitive dynamics and market size, and organizing data room documentation and due diligence checklists.
 - Conducted business and legal due diligence on a \$100M structured lending transaction, analyzing the borrower's business model, customer volume, and state-level regulatory risks.
-

CLUBS & ORGANIZATIONS

Equity Analyst and Consultant | Tamid Group at Babson | 2024-25

- Conducted equity research on Israeli public companies and advised early-stage AI startups.
-
