

Currently working on a new business in clothing Fulfillment Through Vietnam. I have worked in clothing for 3 years now and done a high volume of work with this supplier while working on my own business in the past. Now I will be fulfilling wholesale deals!

This is the lovely Tali (she owns the full figment center), we grabbed lunch in Ho Chi Minh city, Vietnam a couple weeks ago. (I got food poisoning)

I sell fridges and this is my storage unit at about 25% capacity on top .

Had way too many fridges so I slept amongst them for a semester while I became the biggest facebook seller of fridges in MA

My name is Will nice to meet everyone!  
 I am a rising senior, this is a picture of my little brother and myself.
