WORK EXPERIENCE

Investment Intern, KARBON INVEST, Oslo, Norway

May 2026 - August 2026

- Built a market analysis of the Nordic CPaaS and messaging sector for a client engagement, mapping the competitive landscape, profiling key players like Sinch, Infobip and LINK Mobility, and comparing price across the value chain
- Conducted financial deep dives comparing gross margins between CPaaS operators and SaaS peers, working directly from annual reports and building the analysis into clear, presentation ready material
- Supported senior colleagues on live deal and case work, contributing to valuation inputs and a phased growth roadmap, while taking part in client meetings and internal strategy discussions

Service Desk Consultant, SOFTWARE ONE, Oslo, Norway

May 2025 - August 2025

- Helped manage Microsoft 365 services such as Azure, Intune, and Entra ID, and gained solid experience with user access and administration
- Contributed to improving company's operations manual by updating and clarifying procedures, making it easier for colleagues to follow and use in daily work
- Maintained a high level of customer satisfaction, with no negative feedback received during summer

Founder, MS GOLF, Oslo, Norway

April 2024 - Present

- Started a highly profitable reselling business, by identifying a niche in high demand, low supply market and scaled the business
- Improved customer service, ensuring accurate descriptions, good communications, and a seamless buying process, leading to positive feedback and repeat customers
- Expanded business by entering a partnership with a retiree, led the company to experience an increase of 30% in inventory and revenue

Stable Hand, LUCKY7 STABLES, Oslo, Norway

April 2024 - August 2024

- Ensured the health and well-being of 50 horses through feeding, grooming, and training, including injury treatments and behavioral issues
- Conducted general maintenance and repairs, reduced downtime, and helped the ranch save money on more expensive hired labour
- Stepped in to ensure a smooth workflow when manager was absent, organized tasks and assured every horse was fed and trained

EXTRA CURRICULAR ACTIVITIES

Board Chair, INVESTFJORDDALEN KAPITAL

April 2026 - Present

- Overseeing capital investment in the European markets, focusing on tech and telecommunications stocks
- Performed due diligence, estimated value based on comp analysis and DCF models, helping lead the company to make safe investments, controlling a balance between risk and profit

Board Chair, ANSA NEW ENGLAND

January 2026 - Present

- Organising events for fellow Norwegians studying in New England, and overseeing the financial and social aspects

Skier, BABSON VARSITY SKI TEAM

August 2024 - Present

- National Collegiate Slalom and Overall Champion 24/25
- Part of a team in an individual sport, demonstrating leadership by organizing athlete-led meetings and providing feedback, leading to first team division victory since 1996
